COMMITMENT TO CLEAN

- **Enhanced Public Space Cleaning.** We've increased the frequency of cleaning and disinfection, especially in high-traffic areas
- To reduce contact during your stay, no one will enter your room to provide service. Instead, each room will receive **deep cleaning between stays.** Should you wish to request daily housekeeping, you may do so at the Front Desk or by dialing "0" from your room.
- Your sanitized guestroom will now come equipped with disinfecting wipes for your use

PROPERTY AMENITIES

- Relax in our spacious **Pool**
- Our **Fitness Center** on the lobby level is open 24/7
- Our **Stave Regional Kitchen** features a variety of options for a bite to eat or a quick snack on the go, carefully prepared by our culinary team and packaged to minimize contact
- In the mood for a night cap? We also feature beer, wine, & bottled cocktail options for you to enjoy before (or after) a night out

SOCIAL & PHYSICAL DISTANCING

- **Social Distancing.** You will see signage and physical barriers throughout the hotel promoting physical distancing
- We have reconfigured the layout throughout our public space to best suit the recommended physical distance
- Associates will wear **PPE (Face Coverings, Gloves, etc.)** based on the activities they are performing. Guests are encouraged to wear personal face coverings.
